Each period reenactment group explains and teaches how our Veterans lived during their war-time, what they used, where they served. In addition, we have "Tent Talks." Historical figures such as Abraham & Mary Lincoln, WWI Doughboy, Teddy Roosevelt will speak. One of our most popular activities is the (air-conditioned) Bus Tours of the historic Campus, given by our expert docent, Margaret Kruckemeyer, who dresses as a WWI Nurse. Be sure to visit the *Miami Valley Military History Museum* and tour the historic *Grotto Gardens*.
